Honorable J. Edgar Hoover, Director  
Federal Bureau of Investigation  
Department of Justice  
Washington, D. C.

Dear Mr. Hoover:

Reference is made to your memorandum dated April 28, 1943, addressed to Colonel Carter W. Clarke, relating to Italian code messages and enclosing five such messages.

The messages headed "Ital Dipl Lisbon" and "Ambasciata Italiana Madrid" have been read. The other three messages cannot be read at present but work is continuing on them.

The message to Lisbon directs that 10,000 escudos be paid to one Leo Negrelli, an official news correspondent. The message to Madrid refers generally to the arrest of Italian citizens in Cuba and directs the Italian Ambassador to request the Spanish Government to make appropriate representations to the Cuban Government.

You may rest assured that all information of interest to you which is obtained by the Military Intelligence Service through cryptographic means will be forwarded to you promptly.

Sincerely yours,

GEO. V. STRONG
